TEMPORARY LANE CLOSURES AT BEDFORD TOLL PLAZA
DUE TO ELECTRICAL WORK AT EVERETT TURNPIKE FACILITY

The New Hampshire Department of Transportation announces electrical work scheduled for the Bedford Toll Plaza on the F.E. Everett Turnpike will require limitations on the number of available tollbooth lanes for a two-hour period on Tuesday, December 23, 2003.

Between the hours of 9:00 AM and 11:30 AM on December 23, three toll lanes will be open in each direction, northbound and southbound. That amounts to six available lanes versus the usual ten lanes. All other toll lanes will be temporarily closed to allow for the electrical work.

Motorists utilizing the Bedford Toll heading northbound and southbound on the F.E. Everett Turnpike between 9:00 AM and 11:00 AM on December 23 should anticipate minor delays.
